MIDDLE TENNESSEE STATE COLLEGE • MURFREESBORO, TENNESSEE • VOLUME XXXIV

DEDICATION

When one thinks of Middle Tennessee State College, one man's face appears in the mind. This face is the jovial countenance of Mr. Robert Abernathy. "Mr. Bob," as he is affectionately called by students, faculty, and alumni, is M. T. S. C.'s good-natured Director of Field Services and secretary of the Alumni Association.

With his ready wit and cheerful disposition he is in great demand as speaker, and he seldom turns down an opportunity to speak. Traveling over the state, he visits high schools and encourages students to choose M. T. S. C. for their college home. He also represents the college at conventions and conferences all over the nation. No one man has done as much as he to help the prestige of M. T. S. C.

Bob Abernathy is more than a speaker or a delegate—he is a friend to all the student body. To the shy freshman he's a familiar face, and to the secure senior he's like "one of the family." Everyone who knows him respects him and admires him, the man who is friend to all and helper to many.

We the staff should like to dedicate to you, Bob Abernathy, the 1959 Midlander.

EDITOR'S NOTE

Looking back over the year, I can almost see the steps which were taken in order to bring to you the 1959 Midlander. Steps which meant much planning and many hours of work. We've learned from our experiences and hope that if you do not agree with our product, you will still admire our effort.

We did not ascend these steps alone. Always reaching down to help us up were our advisors who were there when needed but forbade us the use of escalators. Therefore I should like to thank Mr. Gene Sloan and Dr. Bealer Smotherman for their advice and counsel, for their patience and tolerance, and for their encouragement and optimism.

Even with the help of Mr. Sloan and Dr. Smotherman I could not have achieved my goal. Therefore I should like to express my gratitude to Carol Hanes, Bannie Hudgens and the other members of my staff who have worked so faithfully and earnestly to bring you, the reader, the 1959 Midlander.

MTSC

More than the study of languages, sciences, and humanities; more than the social life of the college campus; more than the athletic triumphs; more than the hours of preparation and cramming for exams; and, for many, more than the commuting—Middle Tennessee State's students will remember a conglomeration of people, steel, roads, concrete, land, and brick.

They will remember a town. They will remember a spirit—a spirit of progress. They will remember Murfreesboro and

a college that never ceased to grow, day by day, during their four years of undergraduate study. For Middle Tennessee State College and progress are synonymous.

Growth and expansion are a tradition here at Murfreesboro, and the school and town continue to attract the kind of people that began this tradition in 1911 when Middle Tennessee State Normal School first opened its doors to an education conscious state.

My, how things have changed since Mom and Dad's day.

You bet things have changed, and things are going to change even more. We're going to improve and then improve on our improvements, for that is the spirit of M T S C.

We'll remember steps—symbolized by our building steps—steps we took and continue to take to better education, future progress, growth, and improvement.

More than the study and instruction, M T S C
is living together day-by-day activities—a broader
meaning than Webster gives to the "college."

THE ADMINISTRATION

Up the steps, through the heavy doors, and the inside of the familiar Administration Building of Middle Tennessee State College can be seen. Students from other states and other countries meet with native Tennesseans to begin the climb toward a common goal—higher learning.

These students are directed in their endeavor and their progress is recorded in this the busiest of M. T. S. C.'s buildings. Here can be found the Administrative offices for a student body of 2,539, a faculty of 181, and a 604-acre campus.

Students ascending and descending these steps will be earning Bachelor of Science degrees, Bachelor of Arts degrees, or Master of Education degrees. Since its founding in 1911, Middle Tennessee State College has grown until it is as we see it today—one of Tennessee's most popular and important state colleges.

Governor Buford Ellington

Buford Ellington's inauguration as Tennessee's 42nd governor climaxes a career of public service which began when the people of Marshall County elected him to the General Assembly in 1948.

Like his father, Governor Ellington is active in the Methodist Church. He served as a member of the Board of Stewards of the Verona Methodist Church, and was named a steward of the Glendale Methodist Church when he moved to Nashville in 1952. He also taught the Men's Bible Class at both churches.

He is a Scottish Rite Mason and active in Al Menah Shrine Temple at Nashville.

The Ellingtons have two children, 24-year-old John Earl, who will be discharged from the Army in January, and a daughter, Ann, a senior at Hillsboro High School in Nashville.

Board of Education

President Cope

Dr. Quill E. Cope brings to MTSC a rich background of educational experience ranging from a rural school to the Commissioner of Education for the State of Tennessee. Dr. Cope was outstanding as an undergraduate student at TPI from which he received his B.S. degree in 1933. He was awarded his M.A. degree in 1936 and M.Ed. in 1949, both from Peabody. At the New York University he achieved his Ed.D. in 1951. At the end of his first year at MTSC, Dr. Cope has won the favor and friendship of the student body. On its trial run, the administration of President Cope has been successful and seems to predict greater years ahead for MTSC.

President Quill E. Cope with his wife and sons, Jim and John Roger.

Administrative Committee

Seated (L. to R.): E. Vaarhies, N. Parks, M. Putman, C. Greever, President Q. Cope, Dean B. Keathley, H. Dark, R. Peck, N. Wright.

Standing (L. to R.): W. Bowdoin, E. Wiser, Dean N. Beasley, F. Riel, J. Young, T. Woodmore, E. Midgett, H. Parker, Major Q. McNary.

Dean of Admissions

A qualified witness and cause of MTSC's advancement is **Dean N. C. Beasley**. Since 1927 Dean Beasley has occupied many administrative positions on this campus. At the same time he has been recognized as a leader in state and national educational organizations. His B.S. and M.A. were earned at Peabody College. Since then, he has done post graduate work there.

Dean of Instruction

In continuous demand as a speaker, **Dr. Howard Kirksey** organizes and supervises the formation of the schedule and curriculum. He received his A.B. degree at Union University, his M.A. and Ph.D. degrees from Peabody. He has since done further graduate study at the University of California.

Dean of Students

A dependable friend to every student, **Dr. Belt Keathley** advises, assists, and guides students over problems. He has been at MTSC since 1951 after receiving his Ed.D. from the University of Tennessee.

Director of Publications

Eugene Sloan is one of the busiest men on the campus. He acts as advisor for the yearbook and newspaper in addition to his duties as classroom instructor. Also, he travels about the state in an effort to interest high school student in MTSC. With his past experiences as a newspaper man and a member of the Tennessee Bar, Mr. Sloan is well placed in his position as Director of Publications. From his office go articles and press releases to newspapers throughout the state.

Bursar

Mr. T. B. Woodmore and his assistant, Mr. James Jackson, are a vital part of the administration. With care they direct the finances, collect student fees, and issue paychecks. They take steps to see that no financial errors occur in the proper functioning of MTSC.

Director of Field Services

If you rarely see **Robert Abernathy**, it is because he is such an active good-will ambassador. He visits high schools all over the state, encouraging them by his engaging manner to come to MTSC. In his spare moments he serves as head of the college placement bureau and as Alumni Secretary.

Language Arts

Although loquaciousness generally needs no acceleration among MTSC scholar, the Language Arts Department, headed by Dr. Richard Peck, concentrates on improving proficiency in speech, composition, and language.

Under the direction of Mr. Lane Boutwell, students gain experience in forensics. Three dromas a year are presented under supervision of Mrs. Dorethe Tucker.

Foreign languages are deciphered, understood, and appreciated with the guidance of Miss Elizabeth Schardt.

Richard C. Peck, A.B., M.A., Ph.D.

J. Eldred Wiser, B.S., M.A., Ph.D.

In this age more and more emphasis is being placed on the interests of this department, under the direction of Dr. J. Eldred Wiser. Special provision for pre-medical and pre-dental majors is employed. Student assistants who are majors in the field help professors and give individual instruction to pupils.

Social Science

Sociology, economics or geography may be emphasized by a social science major. Dr. Norman Parks and his steadily increasing staff strive to encourage wholesome, peace-centered living.

Norman Parks, B.A., M.A., Ph.D.

Wilmoth B. Bowdoin, B.S., M.A., Ph.D.

"A journey of a thousand miles begins with one step." This is the philosophy of the education department which was once the only department on campus. Members of this staff are concerned with preparation of students for teaching in any field. Dr. Wilmoth B. Bowdoin heads this department.

The Training School, located just off-campus, offers elementary schooling to children of the area. Here, MTSC students majoring in education can practice teach under the supervision of highly skilled teachers. As teachers practicing what they have learned as students, MTSC education majors and minors are under the competent supervision of Mr. Hilary Parker, Training School principal.

Three fields of endeavor are open to business majors—business education, business administration, and stenography. Besides these four-year courses, a two-year special business course is offered. Mr. E. W. Midgett directs the department.

Distinguished by modern and ample business equipment, this department has prepared many MTSC students for success in the business world.

Music

Development of musical talents is the special interest of Mr. Neil Wright, head of this department.

Directed by Mr. Joseph Smith, the marching and pep bands are admired collections of MTSC talent. Other organizations of the music department are the Sacred Harp Singers, chorus, orchestra, organ guild, Concert Band, Women's Trio, Men's Quartet, String Ensemble, Sounderian Society, and Pi Mu Sigma.

The opera, presented annually, draws music lovers from "the four corners" of Middle Tennessee.

Neil H. Wright, B.S., M.A.

Francis J. Riel, A.B., M.S., Ed.D.

Under the supervision of Dr. Francis Riel, the Health and Physical Educational Department is one of our school's most popular departments. Courses in health, physical education, and recreation are designed to help all students to maintain the best possible mental health and physical well-being. For those who plan to make a career of leadership in this field, special courses are designed to develop the ability to plan, organize, and conduct an adequate program of health, physical education, and recreation.

Industrial Arts

Mr. E. S. Voorhies heads the local department for prospective rocket experts, architects, and engineers. The Industrial Arts Department is one of the best equipped in this area, having six unit shops and a drawing studio with thousands of dollars worth of equipment. Studies range from machine drawings and blueprints to carpentry and plastics.

Edwin S. Voorhies, B.S., M.S.

Margaret Putman, B.S., M.S.

Home Economics

The Home Economics Department progresses under the supervision of Miss Margaret Putman. Girls majoring in Home Economics are exposed to new and modern equipment and receive superior training in dress designing, interior decorating, home demonstration work, nutrition, dietetics, textiles, child development, and home furnishings. Living in the modern home living center for one quarter is an attraction to which each of the majors looks forward.

Agriculture

The purpose of the agriculture department is to offer courses designed to train students interested in teaching agriculture; making a career of practical farming; being employed by the Agricultural Service, Farm and Home Administration, Soil Conservation Service, and other farm agencies; working for food, feed, seed, fertilizer, and farm equipment companies; participating more intelligently in the development of higher standards of living in rural areas.

Many steps of growth are apparent in this department. It has three buildings of its own in which are included classrooms, storerooms, offices, a wood-working shop, and a modernly equipped farm metal working and blacksmith shop. A dairy, a poultry unit and various buildings serve as laboratories. Four hundred and seventy-five acres of land are available to this department for the students to experience the actual program of the farm, as well as to earn money to help pay their college expenses.

Clarence Chesnutt, Jr., B.S., M.S., Ph.D.

Art Education

Students prompted by the creative urge can take advantage of courses offered in art development, interpretation, and appreciation. Dr. Clarence E. Greever competently leads this department.

Aviation

Middle Tennessee State is one of the few colleges in America that offers aviation training with credit from ground school through a commercial or instructors license. Graduates from MTSC are in many fields of aviation, from airport manager to pilots for commercial airlines. Local students have pride in maintaining the record of safety which, since 1941, has not recorded a major accident.

Miller Lanier has been airport manager for the past 11 years. In recent years the college R.O.T.C. flight training program for select cadets has been added to the department's program. This year 133 MTSC students did work in some of the courses available.

Recognition of the excellence of the college aviation program is evidenced by the fact that Dr. Bealer Smotherman, who took his flight training here, will direct the summer aviation workshop for some 100 Tennessee teachers on the MTSC campus this summer.

Library

Miss Virginia Wilkinson, Miss Catherine Clark, Miss Sarah Moore, Mrs. Layde Brown.

A modern, three-level building is the newest pride of the campus. It is the Andrew L. Todd Library and secures a systematic array of more than 64,000 books, periodicals, and newspapers. Along with several reading rooms and an adequate stack area, the building contains a projection room, lecture room, faculty lounge, Library Service Department, Regional Library, Tennessee Room, and curriculum laboratory.

Regional Library

Middle Tennessee State College is the center of one of the regional library divisions. It is located in the basement of the college library, but it steps forward in offering library services to both urban and rural centers in Tennessee. Two book-mobiles operate from the college, delivering materials to "stations" located over a seven county area served in this region.

Student Government

ASSOCIATED STUDENT BODY

President, Kent Stockton

Vice-President, Judy Patterson

Nearly 2,500 students belong to the Associated Student Body—and it is the officers' duty to voice the desires of the entire student body and act in the students' interest. Each spring the next year's ASB officers are elected, and good leadership qualities are initial requirements. This year's ASB chose wisely when they elected Kent Stockton and Judy Patterson to lead them.

OFFICERS: Nancy Shumate, treasurer; Judy Patterson, vice-president; Kent Stockton, president; Winston Davis, attorney general; Frances Jackson, secretary.

Congress is the legislative branch of student government. It is composed of four seniors, four juniors, three sophomores, and two freshmen. Congressmen meet twice each month and work at the polls during student elections. Members cannot, however, campaign during any election without first resigning their Congressional position.

Congress and Supreme Court

Dirk Arnold, Jim Walker, Roy Whited, David Cline.

The judicial branch of the ASB is the Supreme Court. Members are appointed by the ASB president and approved by a unanimous vote of Congress. Two seniors, one of which serves as chief justice, two juniors, and one sophomore constitute the court. It rules on questions of Constitutionality and on any case that is appealed to it by a defendant.

MEN'S DORMITORY COUNCIL—Row 1 (L. to R.): Harald Greer, Carl Searcy. Row 2 (L. to R): Ray Bell, Jock Corbin, Gray Bailey.

Dormitory Council

WOMEN'S DORMITORY COUNCIL—For those girls tempted to break rules every now and then, there awaits a Women's Dormitory Council. These seven representatives act as a Supreme Court, hearing the cases of the offenders and deciding their fate. The discipline works fine under the leadership of Kay Shannon.

MEN'S COUNCIL—The two men's dormitories also have a governing council to keep the midnight parties from getting too wild. If a problem gets too involved, it is sent to the Inter-Dormitory Council to be worked out. This council is headed by—

ASB Social Committee

The responsibility for all the social successes or flops goes to this committee, headed by the ASB vice-president. These students cooperate with the faculty social committee in planning the social calendar for the year.

Bookstore

Textbooks, stationery, class rings, sweaters—all this and much more can be purchased at the campus bookstore. Mr. Charles Phillips manages the bookstore.

Infirmary

The infirmary offers medical attention and the services of Dr. William Shacklett, college physician, and Mrs. Ruby Robertson, registered nurse. Each full-time student may receive these services with hours arranged for convenience.

We count the minutes as 8:00 and 1:00 classes near an end, and we can scamper to the post office to get that long-awaited letter. It's a demanding job that Miss Iree EcElroy has and to her goes much credit.

Post Office

Terrace Room

Coke in one hand, sandwich in the other, feet on our neighbor's knee, and we settle comfortably back to prattle to the music of a never-dying juke box. This is the popular new Terrace Room, frequented many times a day for hourly coffee breaks and snacks.

Cafeteria

The food's as good as it looks—and that's very appealing. Mr. Alex Mock, the cafeteria's new manager, senses the tastes of hungry students and successfully strives to satisfy their whims. Even Santa Claus, Mr. Turkey, and the hob-goblins visited MTSC's eating place this year!

Organizations

Important in a student's campus life are the organizations to which he belongs and in whose activities he participates. He gradually advances from an obscure member to an outstanding leader through his organizational membership. In the clubs on the M. T. S. C. campus, leadership qualities are tested and proven.

A student has at his disposal a wide selection of church, musical, athletic and pre-professional groups, each of which is under the direction of a competent advisor.

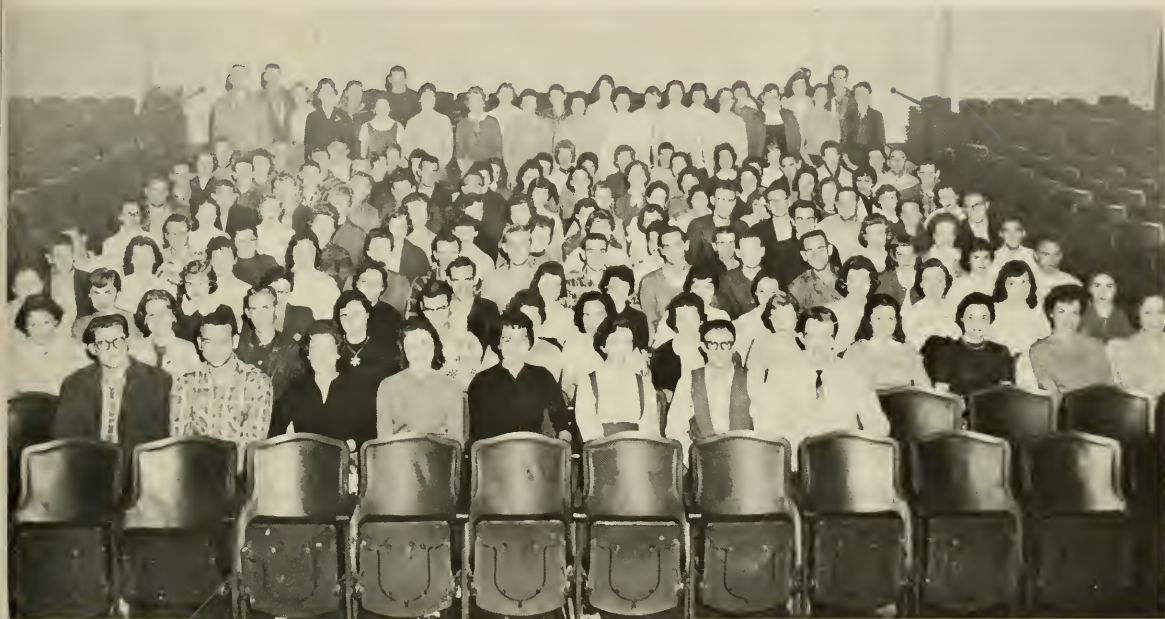

The Student Christian Union is composed of students of all denominations and serves to unite these students to present Christ to the campus. Meeting the first Wednesday of each month, this group sponsors a reception for the freshmen and a Religious Emphasis week. Also, this year the S.C.U. is operating under a constitution for the first time. This is due to the efforts of the

From the music building can be heard the haunting refrain of "Cum Bye Yak (Come By Here)" as the Baptist students meet for their weekly vespers. The purpose of this organization is to serve as a link between the college campus and the local churches. To promote this endeavor, weekly council meetings are held and the students attend retreats and the annual state-wide B.S.U. convention.

Leading the group this year are Mildred Dorris, president; Sara Jane Croft, vice-president; Guerry Teeple, enlistment chairman; Judy Beeler, devotional chairman; Betty Caudill, social chairman; Shirley Fowler, publicity chairman; Jean Blair, missions chairman; Bill Medlock, music chairman; John McDonald, pianist; Margaret Ann Eakin, secretary; Jack Daniel, treasurer; Barbara Wassom and Sid Davis, church representatives; Lavina Fly, student director; Rev. Bill Lunceford, pastor advisor; Ramon De Shazo, faculty advisor.

The Church of Christ Group meets each Wednesday evening in the Student Union Building. This group, composed of between seventy-five and ninety members, strives to promote Christian activity on the campus and to provide guidance in day-to-day living. The officers this year are A. G. Smith, president; Leonard Johnson, vice-president; Jean Belcher, secretary-treasurer; and Dr. Douglas Shields, sponsor.

The people who compose the Midlander Staff are the ones who have worked to make the 1959 edition possible. With a common goal they have tried to display a year's activities in the lives of the students and in the life of M. T. S. C. These energetic people have written copy, sold ads, planned layouts, taken pictures and identified pictures as well as performed the menial tasks which they faced.

Under the nameplate on the front page of the *Sidelines* are found these words: "Mouthpiece of the Fastest Growing State College in Tennessee."

The *Sidelines* staff attempts to make the paper just that—a mouthpiece through which students are informed of campus activities, through which staff members have an opportunity to express themselves, and through which students not on the staff may contribute their views on current problems.

Members of the *Sidelines's* editorial staff spend many long and tedious hours in putting out the paper every two weeks. Assigning and writing articles, writing headlines, copy reading, proof reading, and layout are included in their work.

Chorus

The eighty-voice chorus is one of MTSC's outstanding musical organizations. Each year this group presents a concert in the fall and in the spring, makes a three-day tour, and sings for the Baccalaureate service. Under the direction of Mr. Neil Wright they provide entertainment and enjoyment for

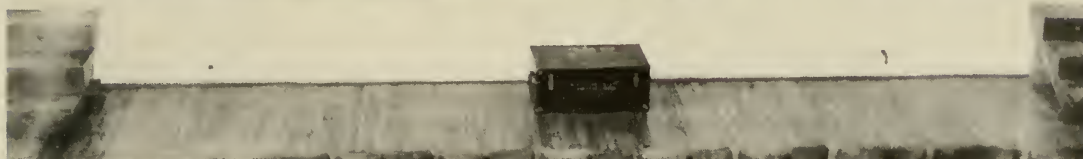

residents of Middle Tennessee. This year's officers are Wayne Tipps, president; Walter Anderson, vice-president; Emily Elrod, secretary. Section leaders are: Glenn Arnold, tenor; John McDonald, bass; Erna Tipps, soprano; and Marjorie Fyke, alto.

Varsity Choir

The Varsity Choir is a unique group of twenty-five selected voices. Practicing on week ends, these musicians present an opera and an oratorio each year. Under the direction of Mr. Neil Wright, the opera, *Des Fledermaus*, was presented in January in cooperation with the dramatic club and the college orchestra.

Orchestra

Forty talented musicians comprise the college orchestra, and they have as their main purpose the providing of entertainment and cultural enrichment for the student body and the citizens of Murfreesboro. Two formal public concerts are presented each year in order to fulfill the purpose of the organization. Emily Elrod serves as president, Virginia Nolt-

ing as vice-president, Sara Jo White as secretary and treasurer, George Bachman as librarian, John McDonald as reporter, Glenn Arnold as accompanist, Mrs. Ruby Taylor Sanders as director and concert mistress, and Mr. Kenneth Pace as conductor.

Women's Trio

Mory Ellen Pate, Barbara Simmons, Linda Williamson

These two groups, Women's Trio and Men's Quartet, are the ambassadors of the music department. Singing for civic clubs, banquets, luncheons and other programs, they do much to help the good will of the college and spread favorable publicity. One of the groups sings annually for the Alumni Banquet and for the banquet for the American Association of University Professors. Each of the individuals is a member of the Sacred Harp Singers and is chosen from this group.

SACRED HARP SINGERS

One of MTSC'S most popular and widely-known groups is the Sacred Harp Singers. With a reputation for outstanding performances the group is in great demand throughout the state. Under the direction of Mrs. Margaret Wright this group makes an annual tour and many other public appearances during the school year. The group was a featured item on the program for MTEA in Nashville in October. Singing Southern white spirituals, English madrigals, and Sacred Harp melodies, these vocalists have made themselves known over the South.

Front Row (L. to R.): Shirley West, Wyona Jones, Yvonne Poyner, Glen Arnold. Back Row (L. to R.): Mrs. Margaret Wright, Emily Elrod, LoVaun Inglis, Betty Dye, Jean Allen.

American Student Organ Guild

The Student Group of the American Guild of Organists has twelve members who operate under their motto "Soli Deo Gloria (Solely to the Glory of God)" as they strive to advance the cause of worthy church music and to raise the standard of efficiency of organists. Under the direction of Mrs. Wright, the officers are Emily Elrod, president; Glenn Arnold, vice-president; Betty Dye, secretary; Wyona Jones, treasurer.

The Alpha Chapter of Pi Mu Sigma has twenty members who, as members of this honorary music fraternity, try to promote dignity and high values among musicians. They hope to attract better music students to Middle Tennessee State College through their endeavors. Bill Medlock serves the organization as president, Emily Elrod as vice-president, Jean Blair as secretary, Wayne Tipps as treasurer, Walter Anderson as sergeant-at-arms, and Mr. Joseph T. Smith as sponsor.

Twenty-five members constitute the MTSC group of the Music Educators' National Conference. Their purpose is to advance the standing of music education and provide "music for every child, every child for music." Under the sponsorship of Mr. Charles

Hansford, the officers are Wayne Tipps, president; Emily Elrod, vice-president; Virginia Nolting, secretary; John McDonald, treasurer; George Bachman and Richard Hunter, sergeants-at-arms.

Band

One of the prides of Middle Tennessee State College is the marching band, which represent the school at football games, parades, and other public functions. These sixty-one members would be a credit to any college. Under the competent direction of Mr. Joseph

T. Smith and Mr. Harace Beasley, the band has performed—and performed well—throughout the year. This year's officers are Gil Smith, president; Bobby Lee, vice-president; Jean Blair, secretary-treasurer; Helen Sikes, publicity chairman.

Band

Features

The steps of M. T. S. C.'s most popular building, the Student Union Building, are usually crowded with students visiting, gossiping, and loafing. This familiar structure contains the postoffice, cafeteria, Terrace Room, Tennessee Room, and club rooms as well as the offices of the Dean of Women, Recreational Director, and A. S. B. officers.

Up these steps walk the Betty Co-eds and the Joe Colleges, the dormitory residents and the commuters, the non-participants and the campus leaders. Each is seeking in his or her way for recognition and opportunities.

Symbolizing another direction which a male student's steps might take is the building which houses the Reserve Officers' Training Corps. All campus men except veterans frequent this structure at some time during their academic career. Here are housed the classrooms, offices and

weapons which prepare students for military service. Up these steps go the men who lead, the men who will lead, and the men who will follow as they study the tactics, strategy and methods of defense.

Major Quentin L. McNory, PMS and T

Since its organization, the ROTC Unit has grown into a cadet corps composed of over 700 cadets. The Cadet Corps is composed of a brigade with a headquarters and headquarters company composed of the drill team and the band. There are two battle groups of four companies each.

Each year the Cadet Corps receives two major inspections. The first is an informal inspection conducted by the XII United States Army Corps, and the second is performed by an inspection team from the Third United States Army. For the past three years we have received a Superior rating on these inspections.

Track and Sabre Club

The Track and Sabre Club is an exclusive organization for R.O.T.C. Cadets. The purpose of this club is to bind close together those cadets who are devoted to a common cause, and are seeking common goals. Their cause being support of the R.O.T.C. and their goal, a commission as 2nd Lieutenants in the Army of the United States.

The Track and Sabre Club is one of the largest organizations on the campus. Each quarter the club sponsors one social event, the major one being the annual Military Ball which is

the highlight of the school's social calendar. In the past the Military Ball has featured such well known bands as Tommy and Jimmy Dorsey, Bill May, Buddy Morrow, Ray Anthony, Johnny Long, and this year set a precedence by having two bands—Papa John Gordy and Owen Bradley.

The officers of the club are: James D. Parks, President; John C. Waldrop, Vice-President; Raymon L. Hardy, Secretary; Phillip H. Davis, Treasurer; and Ronald W. Whited, Sergeant-at-Arms.

The Men's Rifle Team is one of the college's letter-awarding competitive teams. This team fires in both shoulder-to-shoulder and postal matches with many schools throughout the nation. Members of this team are all members of the National Rifle Association and are eligible for and receive many of the annual awards presented by the N. R. A. Their accomplishments have brought much pride to MTSC.

The MTSC Women's Rifle Team was organized under the direction of the R.O.T.C. Department on February 5, 1959, following competitive training and firing by girls interested in riflery. Mrs. John Bass is advisor to the team. The team is designed to fire in competition against girls rifle teams of other colleges and universities as well as to promote interest in marksmanship at MTSC.

Flight Training Cadets

The Army's R.O.T.C. Flight Training Program was started at MTSC during the school year 1957-58.

Successful completion of the flight training course, amounting to 70 hours of training, prepares a student for a private pilot's license. Upon commissioning in the United States Army Reserve or the Regular Army, the flight training graduate may apply for Army Aviation training and assignment.

Students participating in the R.O.T.C. Flight Training Program wear a special half-wing badge upon entering the program, and after successful completion, they are awarded a full-wing type badge which they may wear for as long as they remain in the R.O.T.C.

Sponsor Corps

The R.O.T.C. Sponsor Corps was organized several years ago to better morale and "Esprit de Corps" within the R.O.T.C. Unit. The individual sponsors are elected by the members of the various companies and battle groups of the Cadet Brigade and attend the weekly drills with their respective organizations. In addition

to these weekly drills, the sponsors also participate in the various parades, ceremonies, and inspections held by the R.O.T.C. Cadet Corps during the year.

The queen and her attendants for the annual Military Ball are chosen from the members of the Sponsor Corps.

The gym. Here we attend classes and athletic contests. This is the home—at least temporarily—for the people who represent MTSC against rival schools. As our players proudly wear the uniforms of the Big Blue on the grassy field, on the

shiny floor, on asphalt or cinders, they exhibit good sportsmanship and fair play. Here steps are taken which can lead an individual to recognition, fame and honor.

Football Summary

Twelve lettermen were lost from the 1957 football team; however their vacancies were filled, and MTSC rallied through the 1958 season to post a final record of 8 wins, 2 losses, and 0 ties. The two losses were to the University of Chattanooga and TPI.

The Raiders' success is mainly due to the coaching of the team by the outstanding coaching staff. Head coach for the Raiders is Charles M. Murphy, who has been the top man for eleven years. The other coaches are Joe Black Hayes, who is line coach, Jack Deere, end coach, and Buck Rolman, backfield coach.

Senior members who are leaving the Raider gridiron crew are Bobby Hallum, Roy Hall, Ed Carson, Joe Bruce, Don Franklin, Harold Greer, Bill Dotson, William Hall, and Glenn Eaden.

Captains for the team this season were Harold Greer and Roy Hall. The leading ground gainer was Bucky Pitts who attempted 104 carries, gained a total of 695 yards, and averaged 6.1 yards per carry. Leading in the scoring parade was Bobby Hallum with a total of 44 points.

Bobby Hallum was chosen as Outstanding Player of the OVC, and he, Bucky Pitts, and Don Franklin received the All-OVC honor.

In team statistics, MTSC led in most every department. The Raiders totaled 158 first downs to their opponents 94, and had 2456 net yards rushing to their opponents 1322. The Raiders also picked up 540 yards passing to their opponents 484.

MTSC's Raiders opened the 1958 gridiron season with a 12 point win over Austin Peay State College on the Governor's field. The only scoring of the entire game came in the first quarter.

The first six points were chalked up only a few minutes after the game had started, as quarterback Bob Hallum plunged into the end zone from the one yard line. The

score climaxed a drive that started on the Raiders' 33 yard line following a punt by Austin Peay that only went 17 yards from the line of scrimmage.

The Raiders second scoring drive began with a minute and 50 seconds left in the first quarter. A Governor kick placed MTSC back on its own 23 yard line. On the second play from scrimmage, Bob Hallum sent a 70 yard pass to Roy Purvis for the last score of the game.

Jacksonville State 6

The first road game of the 1958 season was in Jacksonville, Ala. where the Raiders encountered the Jax Gamecocks and dropped them in an 18-6 thriller.

Jacksonville State got its lone score on a 43-yard pass. The second unit, with the backfield composed of Whit Watson, Johnny Moore, Jack Corbin, and Gene Windham, was in the game at the time of the score. Later in the game this same

unit took revenge as Corbin scored on a 12-yard run.

Responsible for the other two touchdowns was Bucky Pitts, who scored twice on passes from quarterback Bobby Hallum. Jacksonville State got only 81 yards on the ground and only seven in the air in addition to the touchdown pass.

Bucky Pitts was the leading ground gainer with an average of 8.1 yards in 6 carries.

A final minute plunge saved the game for MTSC as they came from behind to win over Western Kentucky State College, 10-7. The Raiders' last score came with 27 seconds left in the contest.

In the first period, Tackle Ralph Adams booted a twenty-yard field goal to give the Raiders a 3-0 lead. The Hill-toppers roared back with a six pointer and made the half-time score 7-3.

In the second half, Halfback Ray Purvis was out of the action with a neck injury, and with only three minutes of playing time remaining, Bob Hallum had to leave the field with a face cut that required ten stitches.

Substitute Quarterback Whit Watson passed twice to the reserve end, Brady Luckett, for 63 yards. With 27 seconds remaining, Watson swept over from the six for the winning touchdown, and Ralph Adams booted the extra point.

This 14-0 upset over Eastern Kentucky State College, an Ohio Valley Conference rival, left MTSC with its 14th consecutive victory and its fourth win of the 1958 season.

First score for the Raiders came when halfback Bucky Pitts barreled around end and down the sideline on a 35-yard run to break a 56-yard march wide open. Fullback Roy Hall kicked the extra point for a 7-0 halftime lead.

The second touchdown was set up with runs by Bucky Pitts, Roy Hall and Johnny Moore. Bob Hallum went over from

the one-yard line to score, and Hall produced the extra point again.

The Maroons got inside the Raider 30 only once during the game as they recovered an MTSC fumble on the Blue's 9 yard line. Whit Watson intercepted a pass on a third down to kill the threat.

MTSC completed two of eight passes, had eleven first downs to the Maroons' five, and had 227 yards rushing to the Maroons' 117.

MTSC's winning streak was scalped by the Moccasins of UC, who chalked down a 18-7 score over the Raiders in Chattanooga. End Hester Gibbs scored the lone Raider touchdown, which was his first in college football.

With 90 seconds to go in the second quarter, two 15-yard penalties against MTSC moved the ball to the Raiders 10-yard line. Rod Cook of UC carried three times and scored, for a 6-0 halftime score.

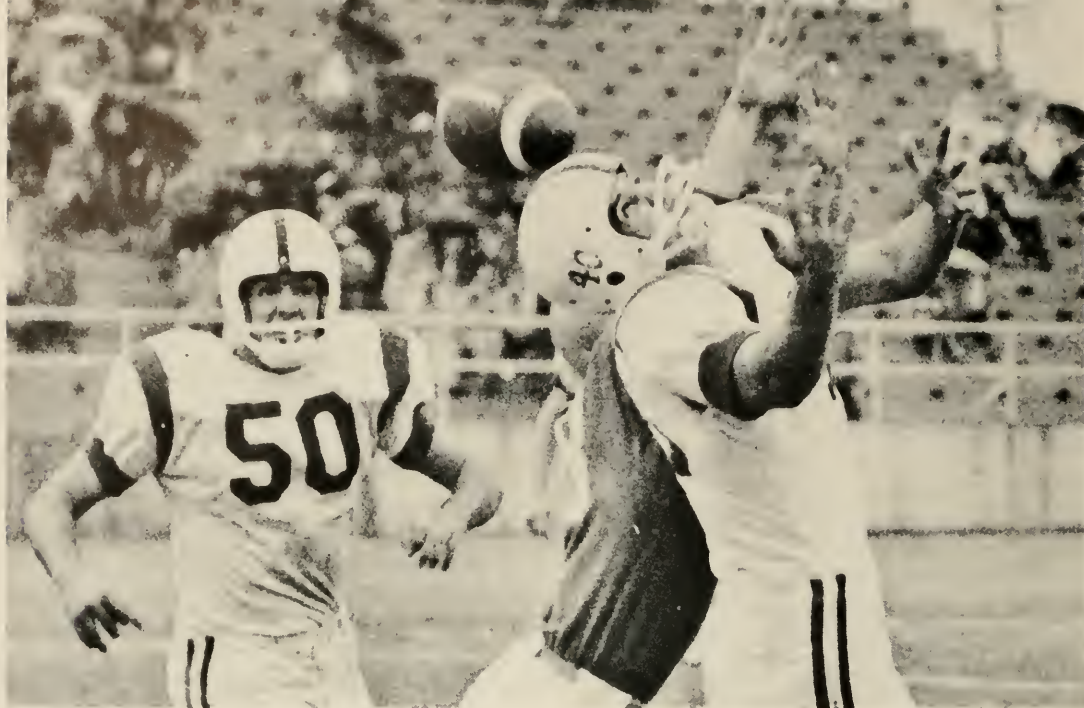

Early in the third quarter, Bob Hallum recovered a Moccasin fumble on the UC 25-yard line. Four plays later, Hallum drifted back and sent the ball traveling toward the end zone and Gibbs grabbed it for the score.

Chattanooga scored two more touchdowns—one in the third quarter making the score 12-7, and the other one early in the final round making the fatal score 18-7.

MTSC had 9 first downs to UC's 16, 94 yards rushing to their 204, and completed 5 out of 11 passes. UC only completed 3 out of 9 passes, but two of these went for scores.

MTSC **34** **Morehead State** **6**

MTSC blasted a 34-6 victory over Morehead State in an OVC game and displayed its offensive ability. MTSC's lead constantly rose and Coach Murphy sent 33 players into the game.

Ray Purvis started the scoring spree with a 35-yard run. The second touchdown came after End Nicky Lynch recovered a Morehead fumble. Johnny Moore, halfback, took a 10-yard pass from Whit Watson, to pay dirt.

On the third score, Fullback Gene Windham carried 16

yards from MTSC's 41 to Morehead's 39; Moore drove to the 15-yard line, and Windham scored from there.

Bob Hallum added the fourth TD, and Ray Bell produced the fifth marker and gained 47 yards.

Morehead was saved from a shutout with only four minutes of play left. The Eagles intercepted a pass on the MTSC 27 and ran it back to score.

This victory boosted MTSC to the top of the OVC with a 3-0 mark.

Florence State College was dropped by a 34-6 score by MTSC, and the entire squad was given a chance to take part in the action. This victory boosted the Raiders' record to 6-1 for the season.

MTSC scored early in the game after a drive from their own 33-yard line, when Bob Hallum barreled into the end zone from the eight, and followed through with the extra point. Florence State pushed through, later, to post their lone touchdown.

Also in the first quarter, MTSC added another six points with

a 20-yard sprint by Ray Purvis. Hallum scored his second TD in the second quarter from the three-yard line. In the third period he connected with Bucky Pitts for a 63-yard pass run.

Larry Puryear, reserve fullback, put the finishing touch on MTSC's score when he slid over from the one-yard line. MTSC had 22 first downs, 278 yards rushing, and completed 3 out of 7 passes to Florence State's 14 downs, 180 yards, and 2 out of 8 passes.

Homecoming day was climaxed with a 40-0 smashing victory over Murray State. The Thoroughbreds gave MTSC a scare in the first quarter by recovering two Raider fumbles, but both were soon lost.

In the closing minutes of the first quarter, Bob Hallum plunged into the end zone to break the scoreless deadlock. In the second half, the Raiders came through with two touchdowns within seven minutes. Ray Purvis was responsible for the second TD as he ran from Murray's 39, and Bucky Pitts added the third one with a 32-yard run.

Whit Watson recorded another six points when he plunged through Murray's line with a 45-yard sprint. Later, he threw a 12-yard pass to end Hulon Watson in the end zone for the score.

The final score was posted late in the fourth quarter when reserves drove 45 yards, and Jack Corbin took off on a 10-yard dash to pay dirt. Lorry Puryear added the extra point. MTSC had 19 first downs and 427 yards rushing.

In the second quarter, Bucky Pitts took a punt on his own 20-yard line and drove 80-yards for the second score. The last two touchdowns were posted in the third and fourth quarters by Hallum and Roy Hall, respectively.

In statistics, both teams had 18 first downs; MTSC Raiders had 233 yards rushing to East Tennessee's 119 yards; and MTSC completed 2 out of 5 passes.

At this stage, the Raiders were tied with Tennessee Tech for the Ohio Valley Conference championship title.

Another OVC victory was recorded with the 27-20 win over East Tennessee State College. Outstanding running by Ray Purvis and Bucky Pitts was a major factor in the victory.

Purvis tallied 138 yards in 10 carries, while Pitts picked up 71 yards in 12 carries.

MTSC's first score came in the opening quarter when Bob Hallum tossed a 17-yard pass to end Jerry Stapleton for the touchdown.

In the annual Thanksgiving Day Classic, MTSC lost their tie for the Ohio Valley Conference crown to a determined group of Tech Eagles, 14-0.

Tennessee Tech dominated the game from the opening kick off, and the Raider offence threatened only once. MTSC pushed to Tech's 29-yard line in the first quarter, but the drive was halted.

The Raider defense held the Eagles scoreless until the last few seconds of the first half, when Joe Witson sent a 7-yard

pass traveling to Tommy Hackler in the end zone. MTSC held Tech to this seven point lead until the fourth quarter. End Rudolph Schmittou recovered an MTSC fumble on the Raider 47-yard line. After another drive highlighted by a 21-yard pass, Johnny Morehead went into the end zone for the second touchdown. The conversion was good, and the final score was recorded as 14-0. The Raiders were not able to break through the Eagle line throughout the remainder of the game.

Basketball

Middle Tennessee State's basketball team got off to a slow start early in the season but as the year progressed the ball club steadily improved. In the last two weeks of the season the cagers came through with three key OVC wins, one of these being with Tennessee Tech.

High man in the scoring department for the Raiders was Robert Burden who poured in a total of 417 points during the season. Following close behind Burden was Bob Williamson who sank 374 points for the team.

The team suffered a sever blow when Dicky Baugh, a star player on last years team, failed to return to MTSC for the 58-59 season. Hindered as they were, the team carried on throughout the season and provided many moments of thrills for the fans.

Ray Purvis led the batting department with a .324 average while playing in thirteen games.

Charles Care, who was captain of the Blue Raider team, had the most impressive pitching average with a record of two wins to five defeats. Brud Spickard was next in this department with one win to three losses.

The prospect for a successful 1959 season look good as eight lettermen will be returning from last year's team.

Track

Middle Tennessee State's track team had one of their best seasons on record. Coached by Joe Black Hayes, the team lost only one dual meet during the 1958 season.

Captains of the 1959 track team were Ed Carson and Bill Dotson. Marvin Jinnette was voted the "Most Valuable Player" by his teammates.

Much credit should go to these boys who spend many hours in the Spring working out and preparing themselves for the meets.

Tennis

The 1958 Blue Raider tennis squad was coached by Mr. E. O. Hawkins and was composed of Captain Charles Anderson, who earned a second letter, Max Horton, who earned a third letter, Bill Moser, Tom Paulson, Glenn Shirley, and Bunny Akin. Andre Duhaime received his first varsity letter and Bob Hallum received his second letter. Hampered by inclement weather, the team had difficulty preparing for its schedule, which resulted in a three-won, seven-lost record. Two of the team's victories were over TPI. This was the first time in memory that MTSC has been victorious over TPI in tennis.

Charles Anderson played the key number one single matches. Glenn Shirley and Bunny Akin, playing the number three double matches, lost only one match this season.

Shirley compiled the best individual won-lost record in 1958. The Blue Raiders were fifth in the OVC.

When Chattanooga brought two girls along with their team, Bonnie Slatton came to MTSC's rescue. For her effort Bonnie received a varsity letter. This was the first time in the history of MTSC, since women's basketball was discontinued in 1951, that a woman has received a letter for her participation in sports.

Horton, Moser, Duhaime, and Hallum will be returning this season, and their performances promise brighter things to come for MTSC tennis. Captain-elect Horton's blistering service, backed by an improved ground game, should carry him far in the years ahead.

Golf

Coach Elbert Patty's golf team brought home another title as they captured the OVC crown. The team also placed second in the TIAC.

Marty Graham, who captained the squad, was OVC Medalist champion and TIAC Medalist champion as well. He was also selected the "Most Valuable Player" on the team.

MTSC Activities

Miss MIDLANDER is crowned while her fellow contestants watch.

Spirited election for Senior Superlatives is a highlight of the winter quarter.

Freshman prepare for their trek to town.

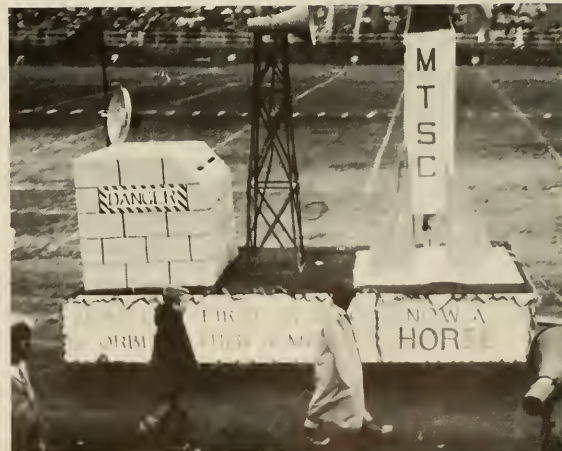

SCU tea for freshmen is attended by faculty and students.

"Run 'Em Off" says the winning float in the Homecoming Parade.

Freshmen listen as they learn the "whys and wherefores," the "do's and don'ts."

Another float from Homecoming shows the scientific trend in America.

This is MTSC's Fine Arts Building which has not been completed. The basic outline is there, but the little "extras" have not been added. So it is with our students. Their basic education may have been finished, but the little tricks of their particular trades have not been added. Soon

these students will take their places as businessmen and merchants and they will then become poised, confident community leaders. Here, then, are the students and faculty of MTSC and the companies and businesses which supported them.
